Structured Product Disclaimer

Structured Product Disclaimer

The information contained in the attached report, brochure, presentation, communication, or marketing material ("the Communication") has been prepared by Rand Swiss for information purposes only. This Communication does not constitute investment, financial, legal, tax, accounting, or other professional advice, nor does it constitute a recommendation, solicitation, or offer to enter into any transaction or investment.

The information contained herein has been obtained from sources believed to be reliable and accurate at the date of publication. However, Rand Swiss makes no representation or warranty, express or implied, regarding the accuracy, completeness, or reliability of the information contained herein and accepts no liability whatsoever for any direct or consequential loss arising from the use of this Communication or its contents.

This Communication does not take into account the particular investment objectives, financial situation, or needs of any individual investor. Investors should make their own independent evaluation of the information contained herein and seek independent professional advice, including tax and financial advice, where appropriate, before making any investment decision.

Any opinions, forecasts, estimates, or market commentary contained herein reflect the judgment of Rand Swiss and/or the relevant author as at the date of publication and are subject to change without notice. There can be no assurance that any forecasts or targets will be achieved.

Past performance is not indicative of future results. Investments in structured products and financial markets carry risks, including the possible loss of capital. Returns referenced in relation to structured products are conditional and may depend on market performance and the terms of the relevant investment.

Any reference to potential returns, enhanced returns, coupons, participation rates, or protection levels is subject to the specific terms and conditions of the applicable product documentation. Capital protection, where applicable, applies only at maturity and is subject to the credit risk of the issuer.

This Communication is confidential and intended solely for the recipient to whom it has been distributed. It may not be copied, reproduced, redistributed, or disclosed, in whole or in part, without the prior written consent of Rand Swiss.

Any investment will be subject to the applicable product terms, pricing supplements, and offering documentation, which should be read carefully before investing.

Rand Swiss® is an authorized financial services provider in South Africa (FSP 45837).
